Instructions:

1. Create cover: Use 2 Regular size tags and the 3⁷/₈"x6" cut piece of *Big Score*. Score paper 2¹/₂" in on each end, creating a 1" "spine" in the center. Adhere tags to paper 1" from the score lines.

2. Score the 3⁷/₈"x11" *Big Score* piece 5¹/₂" in from each end, adhere onto the tags and spine piece, matching up score lines and creating an inner lining. Adhere "sport card" border along inside front cover and punch holes. Punch 1/2" from the outer edges and 1/4" from the spine edge. Adhere hole reinforcers.

3. Adhere to the front cover the sports cards and "take me out" border strips. The 3"x8¹/₈" *Newsworthy* cut piece

and blue accent border. Trim each to fit. Embellish with button, baseball and "#1 fan" chipboard, ticket and circle/star border pieces.

4. Round the outer right corners of the 6 cards cut from the *Touchdown* paper. Punch binding holes. Embellish with alphabet stickers (if desired).

5. To create the tag pages use 2 each of the 2"x3⁷/₈" *Big Score* and *Newsworthy* cut pieces. Score each of these pieces down the center. Adhere each scored piece to the end of 4 regular tags, adhere 1/2" from the center scored line (adding a 1/2" length to each tag). Punch binding holes in each tag page.

6. Using the photo below, embellish the front of each tag page.

Fold tag and wrap *Game Day* paper around tag. Adhere paper to tag. Create 2 pockets with the black & white pattern and 1 with the newspaper pattern.

7. Adhere a 3"x3" black cardstock photo mat to the back of each tag page.

9. Using approx. 1-ft of jute (for each pocket), wrap around pocket and thread through eyelet. Tie to secure pocket closed.

8. Create the tag pocket pages using 3 large tags, score each tag at 7" and 3 1/4". Adhere 3 1/4"x8" *Game Day* piece to the scored tag. Punch a pocket notch.

Using two 2"x3 7/8" *Newsworthy* pieces and one 3 1/4"x4" *Game Day*

(you will need to trim 1/8" from the *Game Day* piece, making it 3 1/4"x3 7/8"). Score all three pieces

down the center, fold each piece. Adhere to the end of each tag pocket, (adhering a 1/2" from the score line). Wrap a border strip around pocket and adhere.

12. Create chipboard gift tags by covering two chipboard accent pieces using a 3 1/4"x4" piece of *Game Day*. Punch holes and add alphabet stickers to create greeting.
