G45/365 Monthly Project - Featuring: An Eerie Tale

An Eerie Tale Pocket Mini

Designed by Denise Johnson

Graphic 45® Supplies:

- 1 sheet *Enchantment* (#4500931)
- 1 sheet *Captivating Characters* (#4500933)
- 1 sheet *Gone Batty* (#4500937)
- 1 sheet *Grand Illusion* (#4500939)
- 1 sheet *Abracadabra* (#4500940)
- 1 sheet An Eerie Tale Stickers (4500950)
- 1 sheet An Eerie Tale Alphabet Stickers (4500951)
- 1 pack (6) ATC Tags (#4500847)
- 2 each Large Tag Album Staples (#4500626)
- 1 each Ornate Metal Key (#4500545)
- 1 each Ornate Metal Label Holder (#4500547)

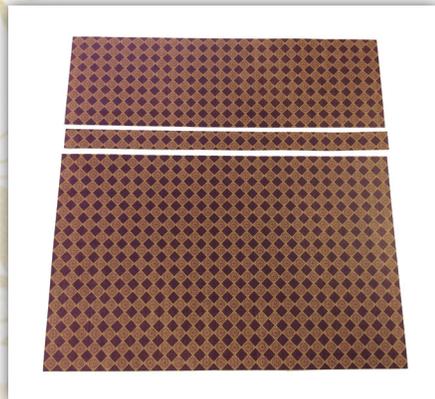

Additional Supplies & Tools:

2 small brads, 24" jute, 24" coordinating ribbon, craft flower, score board/tool, corner rounder, hole punch, pop dots or 3-D foam adhesive, tape runner/double sided adhesive, quick dry liquid adhesive, distress ink.

Paper Cutting Guide:

-*Captivating Characters*- (below)

Cut one 3³/₄"x12" and then a 3³/₄"x12". The remaining 7¹/₂"x12" piece will be used for fussy cutting elements and can be used to create additional tags.

-*Abracadabra*- (above)

Cut one 4"x12" piece from top. Next, a 3³/₄"x12", then cut this piece into 5 pieces: one 3³/₄"x3⁷/₈", three 3³/₄"x2¹/₂" and a 1¹/₂" scrap. Lastly, one 2"x12". The remaining piece can be used to make additional tags.

-*Grand Illusion*-

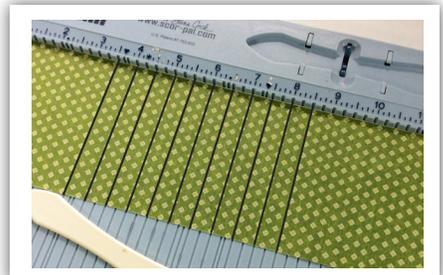

-*Gone Batty*-

-*Enchantment*-

Cut each of the sheets into two 6"x12" pieces.

Instructions:

1. Start with the 4"x12" *Abracadabra* piece, scoring at 3¹/₂", then score at 1¹/₂" increments to 8¹/₂" (this will be 11 scores).

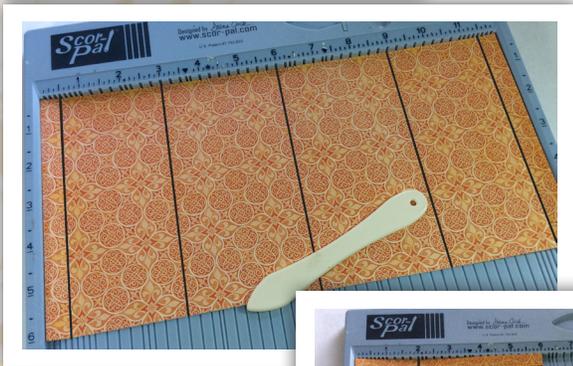

G45/365 Monthly Project - Featuring: An Eerie Tale

Fold along score lines, creating an accordion- this piece will be the cover and spine for our mini pocket book. (Note the 6 valleys created- each valley will accommodate one of our 6 pocket insert pages). (see photo)

3. Adhere the 6 "W"'s (insert pages) to the spine, starting with one of the insert pages, adhere the 1/2" scored piece of the "W" to the left side of the first valley.

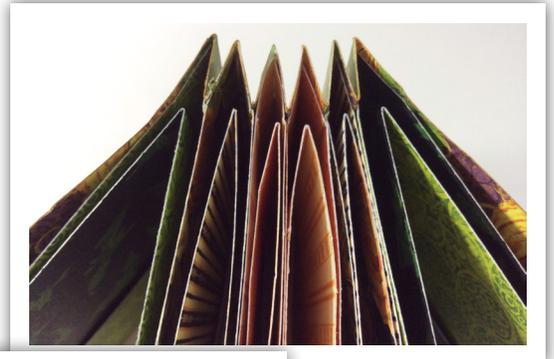

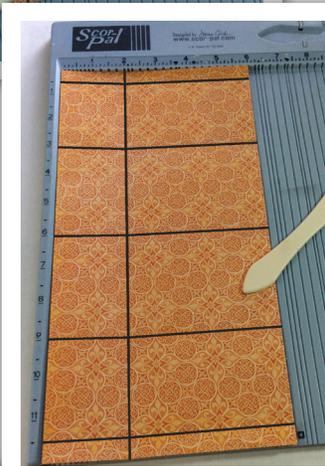

Then adhere the other (end) 1/2" scored piece to the right side of the valley.

Follow this same process for each "W" (insert page), adhering, one by one into each valley.

2. Using the six 6"x12" *Enchantment, Gone Batty* and *Grand Illusion* pieces to score at 1/2", 3/4", 6", 8 3/4" and 11 1/2", then turn and score at 2".

Fold the 2" score line up and then fold the next 3 score lines accordion style, creating 6 "W"'s.

4. Adhere 3/4"x12" strip of *Captivating Characters* to the spine edge of the cover (front & back), trim to fit. Embellish cover of book with card-stock stickers and a flower.

G45/365 Monthly Project - Featuring: An Eerie Tale

5. Create Tag "Jacket" for book- score 2 large tags at 5 1/4" and 6" (measuring from the eyelet end). Fold score lines. Stack tags together (make sure front tag has the eyelet facing out and the back tag has the eyelet facing back). Line up score lines and adhere tags together.

6. Adhere 2"x12" *Abracadabra* piece to 3 3/4"x12" *Captivating Characters* piece, cut 2" off the end of this created piece. The 2" scrap will be used for a tag later.

Embellish with ABC stickers creating title pieces. Place the ornate metal label holder over "Fall" and set with brads. Add fussy cut elements from *Captivating Characters*.

Wrap title piece around the front cover tag and adhere securely. Be sure to center the embellished title area. Further embellish title/cover with cardstock border stickers.

7. Decorate "Magical" sticker tag with ABC stickers and ribbon. Adhere inside tag jacket cover. Adhere the 3 3/4"x3 7/8" *Abracadabra* to the back of the jacket. Tie jute

and a metal key through the tag eyelets.

8. Adhere mini pocket book inside tag jacket creation- you can adhere with glue for permanent placement

or use velcro so you can remove and replace as desired.

9. Create a variety of tags and journal cards to tuck into pocket mini.

1. Embellish ATC tags with stickers & ribbon scraps.
2. Use remaining paper scraps to create additional tags. Tuck tags into pockets.
