Layout Detail

## French Country - 12x12 Matchbook Box

2. You will use “Déjà Vu” in steps #2 and #4 so be careful how you cut. Cut a 12” strip from “Déjà Vu” ink edges and adhere to the center of the “Promenade” 5” from the top of the sheet.

3. Cut one 4 ½” x 6 ½” mat from “Grandeur” and adhere to the center of the strip 2” from the left side of the sheet.

4. Cut one 4 ¼” x 6 ¼” mat from “Déjà Vu”, ink edges and adhere to the center of the “Grandeur” mat.

5. Cut sunflower design from “Sunflower”, ink edges and adhere to the lower right side of the photo as shown.

6. Select the banners and small circles shown from the Cardstock Banners sheet. Ink each banner, arrange and adhere as shown. Using small dimensional foam, add a circle in between the banners as shown.

7. Select letters from the alphabet sticker sheet to create your title. Adhere to the bottom left side of the photo.

8. Cut out the center (black section) of the “French Country” paper to create a frame for the top of the box. Ink edges and adhere to the top of the box. The drawer openings should be on the sides of the box.

9. Cut two 2” x 12” strips from “Sunflower”, ink edges and adhere to the sides of the box cover.

10. Assemble flowers as shown in photo. You will make small slits between each petal, then pinch each petal inwards, ink edges. Set aside.

11. Cut two 1 x 4 ½” strips from “Rendezvous”, cut a “V” at the ends to create a tail, ink edges and adhere to the back of the large circular chipboard piece from the chipboard sheet as shown.

12. Adhere one the the large flower clusters to the center of the chipboard as shown.

13. Adhere the chipboard piece to the top, left corner of the box. Remove sunflower buttons from the chipboard sheet, add twine (8" to each button) and tie a bow (trim ends of bow to desired length.) Ink edges and adhere on lower left and upper right sides of the chipboard piece.

14. Layer the three image cards and the postcard to the bottom right corner as shown.

15. Then glue in to place the flowers, keys and the chipboard pieces (add 8" of twine to each chipboard piece). Adhere metal key hole to the center of the right side of the box as shown.

16. Cut two 1 5/8" x 12" strips from "Sunflower", ink edges of

the green side of the paper. Adhere to the outside left and right sides of the drawer, then attach the metal door pulls.

17. Cut four 1 3/4" x 11 3/4" strips from "Abundance" making sure the lines are vertical as shown, ink edges. Adhere each strip to the inside sides of the drawer.

18. To finish place "French Country" layout sheet in the bottom of the drawer and slide into the box.
