All Star Mini Journaling Book

Designed by Denise Johnson

Graphic 45® Supplies:

- 1 sheet *All Star* (#4500856)
- 1 sheet *Newsworthy* (#4500858)
- 1 sheet *Teamwork* (#4500862)
- 1 pack Cardstock Banners (#45008867)
- 2 each Shabby Chic Medal Brads (#4500548)
- 2 each Regular Tags Album Kraft (#4500625)
- 1 Title Stamp *from Cling Stamps 1 (#IC0299)

Additional Supplies & Tools:

- 4 (3"x3") photo mats cut from black cardstock,
- 2 (10") pieces jute twine, glue stick, tape runner,
- scissors, scoring board & stylus, bone folder, 2^{3/4}" or
- 2^{1/2}" circle punch, Crop-a-dile or piercing tool and
- mat, corner rounder, foam tape or squares, pencil

Instructions:

1. Cut from each of the three collection sheets a piece measuring 3^{3/4}"x12". Then cut each of those 3 pieces into two 3^{3/4}"x4^{7/8}" leaving one 3^{3/4}"x2^{1/4}" piece from each remaining. Cut one of these pieces to 1^{1/4}"x3^{3/4}" (the 2 resulting pieces are for the binding covers).

Round page corners and the outer edges of the binding covers so they line-up with tag covers. Next, score each of the pages, the two tags and the front

binding piece 1" from the left hand side. Make sure when scoring the pages that any text is facing up.

2. Using a large circle punch, make a hole in one of the *News-worthy* pages. Stamp the "Good Ol Sport" title on circle (this

will be the title piece for the front cover). Use 2 of the black photo mats to hide the punched out circle.

3. Arrange the layer pages in the order you prefer and place them between the 2 kraft tag covers and the front binding piece (make sure not to use the back binding piece yet). Punch 2 holes through all layers about $\frac{1}{2}$ " from the left edge and the top and bottom. Set 2 brads through holes.

4. Cover the brads on the back of the book, using adhesive and the other half of the piece for the front binding.

5. Tie a piece of jute through each tag grommet and embellish the front cover with banners and the stamped circle title from step 2.

*Now decorate the inside pages using banners, left-over page pieces and photo mats. Create fun page tabs by backing similar shaped banners. (see additional photos for ideas)
