- 3. Smudge white ink or paint around the edges of the tag. Attach a white grommet to the hole in the top of the tag. Allow ink or paint to dry.

4. From Secret Garden Springtime paper trim the image of the little girls under the tree. Trim one "violet" postage image from Secret Garden Seed Fairy paper. From Place in Time March Cut-Apart paper, trim one March postage image and fussy cut the postcard words and cancellation mark from the March postcard image. Use postage-edge decorative scissors to trim out the postage stamp images as shown.

5. Stamp a sentiment onto cream cardstock with brown dye ink. Cut out with postage-edge scissors or a postage die cut template. Rub the edges with purple ink.

6. Using dimensional adhesive, attach the image of the girls to the center of the tag. Glue the fussy cut postcard words to the bottom of the image.

7. Glue the postage stamp images to the top of the main image as shown.

8. Rub the edges of the sentiment with Versamark ink and sprinkle the wet ink with fine glitter.

9. Rub the paper flowers with Versa Mark ink and sprinkle with fine glitter. Tap off excess and glue flowers to the bottom right corner of the tag as shown.

10. Using alcohol ink, dye two lengths of seam binding. Spray with water and dry with a heat tool. Tie the seam binding through the hole at the top of the tag.

Enjoy your tag!
