2. From the front of a sheet of May Cut-Aparts paper, carefully trim out the "dove and window" and butterfly postage images shown above. Trim the "Happy Mother's Day" sentiment from the Sentiments sheet. Remove the purple chipboard flower from Chipboard Tags 1 and the violet sticker from the Cardstock Stickers sheet. Set all images aside.

3. Using the reverse of the Place in Time May Cut-Aparts paper, trim butterfly paper to 4 1/8 x 5 3/8 and attach to the card front.

punch or die template border.

5. Using the reverse of the Place in Time May Cut-Aparts paper, trim striped paper to 2 5/8 x 4 3/8 inches and attach to the scalloped black cardstock as shown. Wrap a length of purple sheer ribbon around the panel and tie a bow on the right side as shown. Attach the panel to the center of the card front. (see image above right)

4. Trim black cardstock to 3 1/4 x 4 1/2 inches and trim one long edge with a scallop

6. Carefully trim around the "dove and window" image from the May Cut-

Aparts sheet and mat with black cardstock. Attach to the upper left corner as shown.

7. Rub the edges of the purple chipboard flower with white ink and glue it to the center of the bow. Attach the violet clock sticker to the center of the flower.

8. Trim around the May postage image with post-age-edge decorative scissors and tuck it behind the flower.

9. Trim a 4 1/8 x 5 3/8 inch section from the May Foundation paper, making sure to use the part with the flow-

ers, and attach to the inside of the card. Attach the "Happy Mother's Day" sentiment trimmed from the Sentiments sheet to the top center of the card.
