### Additional Supplies:

\*Use a sanding block to smooth rough edges on cardstock punch-outs or chipboard elements.

1. Cut the orange stripe border from both *Cut-Aparts* sheets. On the reverse of one of the sheets, cut the "The Saturday Evening Post" image, ink edges and set aside.

2. Using the remainder of the orange border, cut one 4 ¼" x 6 ¼" mat and two 3 ½" x 3 ½" mats, ink edges.

3. Cut one 4 ½" x 6 ½" mat and two 3 ¼" x 3 ¼" mats from black cardstock. Adhere the large mat to the black mat and adhere the two small black mats to the two orange mats. Place mats on the page and arrange as shown, then adhere. Adhere

the Evening Post image to the center of the page.

4. Using the pennant template, cut banners using the template, ink edges and adhere to the extra black cardstock, trim a thin border and place in the purple section of the page.

\*Cut the number of banners to match the title you choose for your page, then select the alphabet stickers and adhere to the center of each pennant. \*When adhering the pennants, apply glue to the center only.

5. Pierce holes in the top corner of each pennant. Using 14" of the embroidery floss, thread needle and begin to stitch by placing your needle through the first pennant from the back. You may make a small knot or simply tape the end as shown above.

6. Once completed, punch circles and ink edges. The number of circles will depend upon the length of your title. You will want a circle at each end of the pennant regardless of the number pennants.

7. From the sticker sheet, add "Oct 31" sticker to the top left corner of page. Also from the sticker sheet, remove the "Boo!" sticker and place on black cardstock, then trim to create a thin mat, add foam adhesive to the back. Adhere to the page between the Evening Post image and the bottom mat as shown.

8. Cut "Pumpkin Time" border from *Cut-Aparts* page, trim to 4 1/4", adhere to photo.

9. Cut "October" from the *Sentiments* sheet and adhere just above the "Evening Post" image to the right.

10. Remove the chipboard child witch on broom image, ink and using the remaining embroidery floss, tie a bow, adhere to page using foam adhesive.
