- 1 each Shabby Chic Metal Keyhole (#4500840)

### Additional Supplies & Tools:

1 sheet Core-dinations Signature Series "Bon Voyage" cardstock, 1 sheet Core-dinations Signature Series "Tuscan Sunset" cardstock, 3 pieces natural twine (two - 2" & one - 6"), sanding block, paper trimmer, scissors, brown distress ink and foam blending tool for inking edges, edge distressing tool or scissors for raking edges of papers. Adhesives: Tape runner, strong glue (like E6000), foam tape or dots.

### Instructions:

\* All measurements are width x height

1. From *By The Sea*, cut apart the images. Lighthouse image measures 3½" x 7½" when postage stamps are cut away. Fussy cut sea shells. Ink distress edges.
2. From *Splash*, cut the two 12-inch strips. Distress long edges of postage stamp strip. Ink distress edges of all pieces.

3. Ink edges of journaling block. Cut a ¾" x 1" piece of Tuscan Sunset cardstock and glue to the back side of keyhole opening. (You will join this keyhole to the journaling block later.)

## "Keys to the Lighthouse" - Double Page Layout

4. Use 2 sheets of *Gathering Seashells* as the layout bases. Cut both sheets of *Set Sail* 10½" x 12", distress three edges on each, leaving the joining edge undistressed. Ink distress all four edges and adhere to base pages. Cut both sheets of *Pier 45* to 9" x 9" and repeat distressing process. Adhere to layout, centered as shown.

5. Cut Tuscan Sunset cardstock 4½" x 1¾" and Bon Voyage cardstock 4½" x 5⅞". Sand the edges of both, then ink distress. Adhere to left-hand page close to gutter. Cut another piece of Bon Voyage cardstock 3¾" x 7¾" inches. Sand and ink distress

then adhere the lighthouse cut-apart to it. Adhere to layout. Cut another piece of Tuscan Sunset 1⅜" x 5", sand and ink distress edges. Adhere the postage stamp trio to it and pop up this unit with foam tape for added dimension. Adhere the 12-inch strip across page as shown.

6. On the right-hand page, adhere the 12-inch postage stamp strip across the page, lining up the bottom edge with the strip on the left-hand page. Cut apart the Postcard journaling piece from *Sand and Surf* and ink distress. Adhere to page with foam tape. Cut 3 pieces of Tuscan Sunset cardstock 2" x 2½" each, and Bon Voyage cardstock 4¼" x 3¾". Sand and ink distress each and adhere to right-hand page of layout as shown.

7. Insert a 2-inch piece of twine to keyhole top, knot it then fray ends. Adhere to layout (journaling block) on left-hand page using strong glue (like E6000). Set aside to dry.

8. Insert a 6-inch piece of twine through a large key, knot, then fold over and tape excess to back of right-hand page. Secure the key to the page with strong glue.

9. Insert a 2-inch piece of twine into small key, knot, then fray ends. Adhere to right-hand page journaling block with strong glue.
